ST FRANCIS CHILDREN'S ACADEMY

COMPANY PROFILE 2025

ABOUT ST FRANCIS

St Francis Productions is a South African, Black woman-led multimedia company at the intersection of creative storytelling, technology, and capacity-building. Originating as St Francis Children's Academy (Pty) Ltd, we began by promoting early learning through animation, digital storytelling, and ICT-enabled learning tools. Over time, our scope and impact have grown, transforming into a full-spectrum service provider in Publishing, Film, Multimedia, ICT Services, and Skills Development.

We exist to help organisations and communities communicate more powerfully, operate more efficiently, and engage more meaningfully with their audiences in the digital age. Whether it's through film, strategic communications, publishing or tech-enabled learning, our work reflects a commitment to uplift, empower, and innovate.
